About IHF

Founded in 1985 to improve the lives of the hearing impaired, the **International Hearing Foundation (IHF)** is an affiliate of the Minnesota Medical Foundation, a 501(c)3 non-profit charitable organization.

The **19th Annual IHF Golf Classic** is the major fundraising event for IHF supporting our mission to increase public awareness of hearing, speech, and language impairments, including education and research programs.

Funds raised at the event also support IHF's free hearing clinic, which provides testing and hearing aids to children in need throughout the Twin Cities area and globally. IHF is proud to provide advanced assistance and physicians to some of the world's neediest countries.

Please join us on **Monday, June 13**, for an exciting day of golf at **Crystal Lake Golf Club** in Lakeville.

If just one person's life is improved by your support of our hearing programs, you have made a difference in this world!
